Conference 2018: Bridging Communities—Bringing together communication-related professions

Register Now

May 25 - 27, 2018

405 20th Street East  
Saskatoon, Saskatchewan  
Canada  
S7K 6X6

Known as the “City of Bridges,” Saskatoon has eight bridges that span the beautiful South Saskatchewan River, which meanders through the city. They are a vital part of the fabric of our community and remind us of the importance of making connections.

Fittingly, the theme of the 2018 conference will be “Bridging Communities—Bringing Together Communication-Related Professions.” We see this as an opportunity to bring together editors from the Prairies and across the country, as well as professionals from other related organizations.

### Event Registration

Register into this event by providing your email address below:
