

Video Sharing

Video sharing sites are Web sites that allow users to upload and share videos. Videos can be made available to specific groups of people or to the general public.

Examples and Resources

Government of Canada

- Communications Community Office
<http://ca.youtube.com/watch?v=K0rsWb0eqCo>

Other

- YouTube
<http://www.youtube.com/>
- Viddler
<http://www.viddler.com/>
- TonTuyau
<http://www.tontuyau.com/>

Note: All departments and agencies who choose to use social media tools should first contact their departmental experts regarding policy compliance, legal considerations, Official Languages, etc.
